

Technical/Scientific Symposium.  
First announce.  
**"TST '17 Trend in surface Technology"**  
May 18th 2017

**CALL FOR ABSTRACTS**

POLIEFUN is proud to announce the organization of the 4th TST devoted to the future of Surface Technology.

From today research centres of academia or industry and industrial producers are kindly invited to present short papers on their research works, ideas and projects.

**CHARACTERISATION & PERFORMANCES**

At first we ask for a short Abstract, in English language and Word format, of 10 minimum to 20 maximum lines.

The abstract have to indicate:

**TITLE**  
**AUTHOR(S)**  
**AFFILIATION**  
**WORK OBJECTIVES**

A Poliefun commission will rank the abstracts as presentation or poster, and it will decide a program of the day.

Then a manuscripts is required of 5 pages maximum ready for publication. All the contributes will be published (a template will be

send to the authors).

**Abstract submission:** January, 30th

**Final manuscripts:** 14th April

**Language:** English

**Poster session:** The poster session will be open during the whole time seminar (dimension: 80b x 120h cm).

Exposition desks will be organized.

Please send abstracts to: [segreteria@poliefun.org](mailto:segreteria@poliefun.org)
